

# Health and Safety

We offer a range of Health and Safety training for your employees, from short one day courses to the full internationally recognised NEBOSH General Certificate in Occupational Health and Safety.

These programmes can be delivered onsite or on college premises dependant on the number of delegates. We offer:

- **NEBOSH General Certificate**
- **Emergency First Aid at Work**
- **Fire Marshal**
- **Infection Control**
- **Moving and Handling**
- **Paediatric First Aid**
- **Safe Handling of Medicines**
