

Training Opportunities for Children's Care and Supporting Teaching and Learning

West Lancashire College offer a range of training and education programmes for staff employed in early years settings plus primary and high schools. We offer Apprenticeships at both intermediate and advanced levels. The training develops skills and knowledge that can be applied in a variety of educational settings including schools and nurseries.

We offer the following programmes:

- **CYPW (Children and Young People's Workforce) Intermediate Apprenticeship Level 2**
- **CYPW (Children and Young People's Workforce) Advanced Apprenticeship Level 3**
- **Supporting Teaching and Learning in Schools Apprenticeship Level 2**
- **Supporting Teaching and Learning in Schools Advanced Apprenticeship Level 3**

In addition we provide professional courses which can be delivered onsite or on college premises dependent on the number of delegates.

- Emergency First Aid at Work
- Fire Marshal
- Paediatric First Aid
